### Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for Your policy is automatic and no further action is required from You. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Us or visit the Life Insurance Association (LIA) or SDIC web-sites ([www.lia.org.sg](http://www.lia.org.sg) or [www.sdic.org.sg](http://www.sdic.org.sg)).

### Nature and Objective of Plan

This is a Non-participating, regular Premium term policy that provides coverage for a limited period of time. It provides protection against death, Total and permanent disability or Terminal illness of the Life insured during the policy term.

This plan is available for policy term of 5 years (renewable), 20 years or up to Age 65.

We will only provide a maximum aggregate amount of S\$400,000 per Life insured for all direct purchase insurance products issued by Us.

### PLAN BENEFIT:

---

#### 1. Death Benefit

---

Upon death of the Life insured while the policy is in force, We will pay the Sum insured less any amounts owing to Us. When We make this payment, the policy ends.

While We assess the death claims, if the Proper claimant needs financial assistance to prepare the funeral, We may consider offering an immediate payment of up to S\$3,000 per Life insured. This funeral expense financial aid, if given, will be deducted from the final Death Benefit to the Proper claimant. Our advance payment of this financial aid does not mean We have approved the death claim. If the death claim is not approved later, after Our assessment, We have the right to ask the Proper claimant to return this advance payment.

---

#### 2. Terminal Illness (TI) Benefit

---

If the Life insured has a TI during the policy term, We will pay the Death Benefit in one lump sum. When We make this payment, the policy ends.

The maximum aggregate amount payable is Five Million Singapore Dollars (SGD 5,000,000) per Life insured for all policies and riders issued by Us with TI Benefit.

If TI Benefit payable is lesser than the Death Benefit, the Death Benefit will be automatically reduced by the amount paid for the TI. The policy remains in force and the remaining Death Benefit is the original Death Benefit less the amount paid for TI.

**Terminal illness (TI)** is the conclusive diagnosis of an illness that is expected to result in the death of the Life insured within twelve (12) months. This diagnosis must be supported by a specialist and confirmed by the Company's appointed Doctor. Terminal illness in the presence of HIV infection is excluded.

---

### 3. Terminal and Permanent Disability (TPD) Benefit

---

If the Life insured becomes totally and permanently disabled on or before reaching the Policy anniversary when he attains Age 65 while the policy is in force, We will pay the Death Benefit in one lump sum.

The maximum aggregate amount payable is Four Million Singapore Dollars (SGD 4,000,000) per Life insured for all policies and riders issued by Us with TPD Benefits.

If the TPD Benefit payable is lesser than Death Benefit, the Death Benefit will be reduced by the amount paid for the TPD. The policy remains in force and the remaining Death Benefit is the original Death Benefit less the amount paid for TPD.

If the TPD Benefit payable is the same as the Death Benefit, the policy ends when We make this payment.

**Total and permanent disability (TPD)** means any of the two situations:

1. The Life insured, due to Accident or sickness, is disabled to such an extent as to be rendered totally unable to engage in any occupation, business or activity for income, remuneration or profit; and The disability must continue uninterrupted for at least six (6) consecutive months from the time when disability started; and The disability must, in the view of a Doctor appointed by the Company, be deemed permanent with no possibility of improvement in the foreseeable future.
2. The Life insured, due to Accident or sickness, suffers total and irrecoverable loss of use of:
  - a) the entire sight in both eyes; or
  - b) any two limbs at or above the wrist or ankle; or
  - c) the entire sight in one eye and any one limb at or above the wrist or ankle.
